I think Claude and Leon were washed up to a different inlet from us
Oh really
Claude! Leon!
You two are safe!!
C, Celine!!
Rena was a handful without you, Claude
Gyaaa-su!!! Claude came back as a ghost!!!
What's with him...
He is just a fool
!!!?
What's going on, yelling out

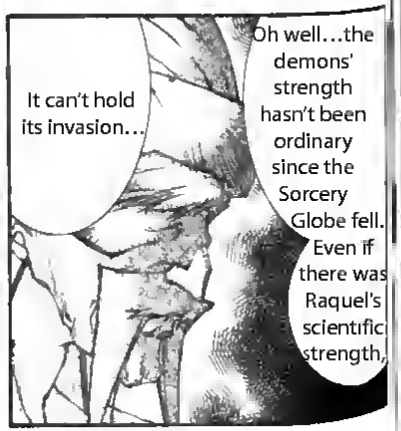
NAVIGATION : 30
At the Shelter Area

oh...
you are?
You don't' need to be standing up, please sit You must be tired
Thank you for saving them
Oh....we didn't do much
So you found your missing friends?
Yes, thank you
Hey
Did you guys came from Raquel?
You can't give up easily like that
We don't know yet
I knew it...
Papa and mama are...
now...
...
okay
...
!
Lets go!
We should ask the master of this village
Your father and mother must be fine!
Yeah!!
Cheer up, Leon!!

Was completely defeated by the demon's side
The strongest military country, Raquel,

Excuse me
What is it?
I have… one thing to ask you

No…



It can't hold its invasion…
Oh well…the demons' strength hasn't been ordinary since the Sorcery Globe fell. Even if there was Raquel's scientific strength,

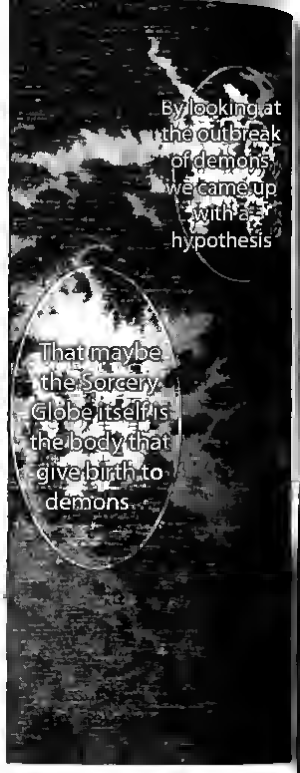
Then that means that you came to rescue us!!
So, where is the ship?
I knew it!
Yes…
Yes… but…?

You should know that…
Why they were washed up to the inlet of El, with serious injuries …

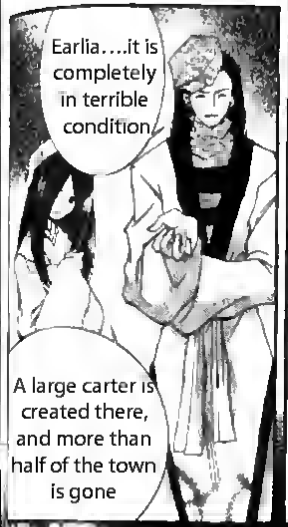
What do you mean, master?
……?

Well…
Um …

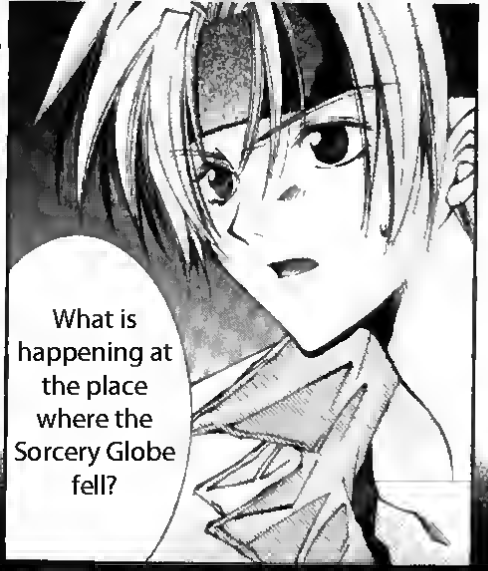
that give birth to demons ...!?
The body...



By looking at the outbreak of demons we came up with a hypothesis
That maybe the Sorcery Globe itself is the body that give birth to demons.



Earlia....it is completely in terrible condition
A large carter is created there, and more than half of the town is gone



What is happening at the place where the Sorcery Globe fell?

None of this could have happened if it didn't fell!!
It is all because of the Sorcery Globe!!

The city of Earlia doesn't even have its original shape anymore.
How cuel... why...

At first it was just a fallen point of the meteor...
but demons began to appear around the evil rock
Earlia was immediately invaded by demons, and became their main area...

Let's go
to Earlia
We usually came to El to investigate the Sorcery Globe
If the root of all evils are from the Sorcery Globe, then
Claude !!!
What are you saying!!
There are terrifying demons over there...
We, the people who are luckily alive,
have to live with the terror of death on our backs!!!
Reno!!!
Celine
Ashton !!!
Yes
Yes
What ...!!?
H... hahi

His parents were swept away in the sea too.
Maybe they will arrive at this village
Thank you very much
Claude!!?
First, can I leave this boy here for awhile?
!!!?
We will destroy it
with these hands!!!
We won't mind, but he...
I dan't want ta!!!
I think it is better off if he waits for his parents to come
Instead of coming with us in an uncertain emotion,
Then we will try to do our best to help you.
I understand that you said those words without any unsure feelings

There was a legend in Expel...
The Light's hero...who wore foreign clothing
Fufu
Master?
Master
was it fine to allow them to go...
They are
Maybe

I'm going to Earlia with you too!!
Leon !!!
I am the most responsible person in the Raquel Laboratory
I should have a duty to investigate the Sorcery Globe
You …
He became… stronger…
… Leon…
Woud… say do it…
Papa and mama …

That must be it!!!

The demon's lair...
Earlia Tower!!!
